2005-07 Statutory Language Proposals

DIVISION:	CAES
BUREAU:	Customer Service and Licensing
ISSUE/TOPIC:	Conservation Patron License Holders
PROPOSED CHANGE:	s. 29.235 incorrectly limits purchase of a conservation patron license to residents ages 14 years or older and to non-residents ages 14 years or older. In contrast, the new junior conservation patron license under s 29.563 allows the junior conservation patron license to be sold to both residents and nonresidents who are ages 12 through 17 years. Amend s. 29.235 to limit conservation patron license sales to persons ages 12 years and older.
EXPLANATORY NOTE:	s. 29.235 should have been updated when the new junior conservation patron license was created. The old age 14 cut-off dates back to when sturgeon spearing was part of the conservation patron license privileges; this privilege is no longer included in the patron license.
DESIRED EFFECTIVE DATE:	Upon passage of the budget

NATURAL RESOURCES ✓

FISH, GAME, AND WILDLIFE ✓

Under current law, the Department of Natural Resources (DNR) may issue conservation patron licenses to any person 14 years old or older who applies for the license. A conservation patron license gives the licensee the combined privileges of a variety of hunting, fishing, and trapping licenses, including deer hunting licenses, annual fishing licenses, and trapping licenses. ✓ clarify

Notwithstanding current law that provides that a person must be 14 years old to receive a conservation patron license, current law specifies a reduced fee for conservation patron licenses issued to people who are at least 12 years old but less than 18 years old. This bill changes current law to provide that DNR may issue conservation patron licenses to any person who is at least 12 years old.

✓ For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
